Certificates: Early withdrawal penalties may apply, up to 180 days dividends. Certificates renew to standard certificates with a like term at the rate and APY in effect at the time of renewal unless otherwise noted.

Dividend Rates (Rates) and Annual Percentage Yields (APYs) are the anticipated rates and yields for the current period and are variable, meaning they can change without notice unless noted otherwise. APYs assume dividends will remain in the account. Withdrawals and fees may reduce earnings.

Refer to the Schedule of Fees and Charges for more information about fees and minimum opening balance requirements. All rates and terms are subject to change. Products may be discontinued at any time.
